SHELF MERCHANDISER

6480-18S-B

6480-36S

Food Capacity (4" diameter sandwich)				
	6480-18 Series	6480-24 Series	6480-30 Series	6480-36 Series
Dual Shelf	24	36	48	60
Single Shelf	12	18	24	30

The Shelf Merchandiser Series is available with slanted or horizontal shelves. It's designed to hold pizza, sandwiches, snacks, and other baked goods. The unit is capable of maintaining safe food temperatures for extended periods of time. The merchandiser is equipped with two thermostats so each shelf can operate independently. Each shelf also has an aluminum dissipater plate for even heat distribution and is illuminated with two - 40 watt shatter proof bulbs. The distance between shelves is approximately 6 7/8".

Standard Features:

- Aluminum dissipater plate for even heat distribution
- Stainless steel exterior
- Tempered glass sides
- Independent heat & light controls for each shelf
- Adjustable thermostat
- Adjustable divider rods for easy organization of food product
- 2 1/2" adjustable feet (-24, -30, -36 models)
- 1/2" feet - (18 model)
- One year parts and labor warranty
- UL, CUL and NSF Listed

Optional Accessories:

- Colors - Black, Red, or Green powder coated finish
- 2 1/2" adjustable feet (-18 model)
- 4" Feet (All models)
- Additional divider rods
